Mark,

If I remember correct, the decision was to let the staff folks use taxis to get to the airport the day after Administrator left.

Subject: Transportation in Bologna

Folks,

Just a heads-up from the driver in Bologna: We are being told that some of the remaining EPA staff are requesting transportation beyond what was previously approved. The staff are under the impression that two cars will be at their disposal tonight and tomorrow for departure. We understand that funding for vehicles that has been committed will end at 4:30PM today. Please advise if we should amend PO request to accommodate extra hours.

Regards,
